

We don't provide solution

we are the solution

BLEnergy – Setting the Precedent

Long Lasting Legacy

BLEnergy stands on the foundation of a robust leadership team, blending extensive experience with a time-honored business heritage since 1964

Who we are

One stop shop for BESS

- | BESS supply and integrator – based on CATL products (LTSA/OSA)
- | Technical and Engineering support and advisory
- | Regulatory & Economic guidance
- | Full O&M provider – Performance, Availability and RTE guarantees
- | Monitoring and control

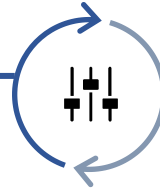

What Sets Us Apart

To thrive in a competitive market, you must distinguish yourself.

Our product and our team possess what it takes

Product

Team

Top Technology

Strong and Experienced Team

Top Quality

Top Service

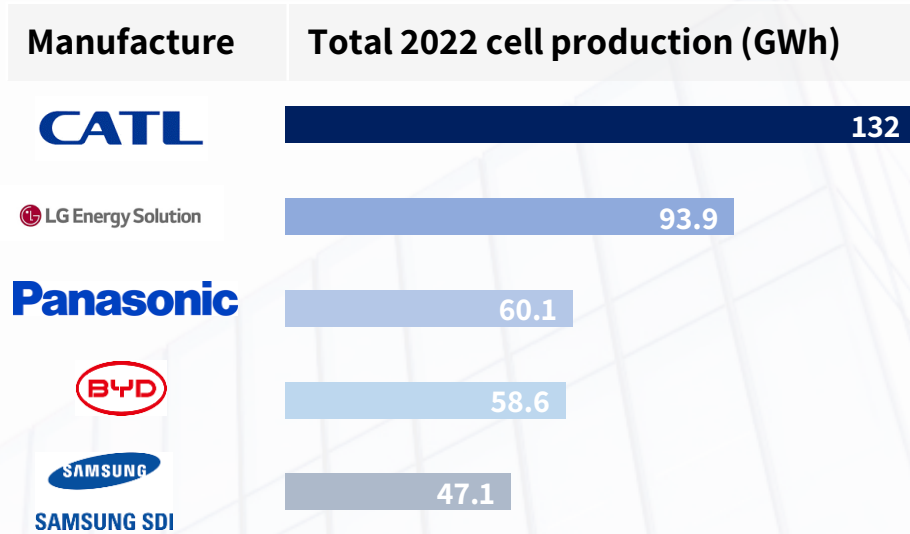

Top Performances

Promoting Innovation

Flexible Solution

Our Product

Thanks to our LTSA with globally renowned CATL, we offer the best value proposition with top tier BESS solutions

	EnerX	EnerC+	EnerOne+
Configuration	TBD	10P416S	1P416S
Cell capacity [Ah]	530	306	306
Rated voltage [V]	1331	1331.2	1331.2
Rated energy [MWh]	5.64	4.07	0.407
IP Rating	IP55	IP55	IP66
Product weight [T]	45	35	3.5
Dimensions [L*W*H] [mm]	6058 *2438*2896	6,058 *2,896*2,462	2,280*1,300 *1,300

Growth Channels

The global increasing demand for battery storage systems setting the ground for growth in various channels:

Our global *expansion* will be driven by our involvement in local and international projects and the creation of *innovative* ventures through *partnerships* with influential and strategic stakeholders

Projects

Client: **DORAL**

Capacity: 2.8 MW / 11.2 MWh

Inverters: SMA

Coupling: DC coupling

Status: Delivered

Client: **DORAL**

Capacity: 8.6 MW / 34.3 MWh

Inverters: SMA

Coupling: DC coupling

Status: Commissioning

Client:

Capacity: 6.04 MW / 30.19 MWh

Inverters: PE inverters

Coupling: AC coupling

Status: Under Construction
